

Your ND Road Trip

Medora

This place speaks to you, the same way it spoke to a young Theodore Roosevelt. It's the way the horizon expands. The way an afternoon moves at its own good time. The way the lights of the Medora Musical don't hold a candle to the shine of the stars on stage. This place may be a tiny dot on the map. But, by the time you leave, it'll hold a big place in your heart.

International Peace Garden

Nestled along the Canadian border is a garden. A celebration of peace, a living monument to the ideals of friendship and cooperation among nations. Acres of uninterrupted prairie, forests, and radiant floral gardens are defined by nature, not borders.
